

Features

The Sourcetek Series B22 and B30 Balancer reels feature rugged steel construction with polyester baked finish, reinforced hanging bracket with safety hook for ceiling mounting and extra holes for safety chain attachment. Spring is permanently lubricated and provides constant tension, adjustable for balancing in normal working zone. Cable is 920 lb. (414 kg) test 0.09" (2.3mm) dia. 7 x 7 strand galvanized steel aircraft cable nylon covered to 0.12" (3.0mm) O.D. and includes safety tool clip and adjustable cable stop. Also includes swivel mounting attachment.

Locking Models

Includes all features as listed above plus a positive ratchet lock mechanism to allow locking of the cable at a specific height. A slight pull on the cable releases the lock which functions like a window shade. Lock feature may be disengaged externally when constant tension is required.
