Sourcetek Dust Collectors
Model SRCA

Model No. SRCA-137

Sourcetec's SRCA Series Dust Collectors are designed for applications where space is limited whether it is indoors or outdoors. The heavy duty compact design allows the SRCA unit to perform efficiently without taking up too much space. Application shown above: Woodworking shop at a local school.

Dust Collector		Exhaust Fan			Shaker
Model	Filter Area	CFM	S.P. W.G.	HP	HP
SRCA-137	137	1580	5	5	1/2
SRCA-176	176	2210	5	7.5	1/2
SRCA-330	330	3633	11	10	1/2

Above dimensions, CFM, S.P. and Filter area are for standard factory units, however, every model may be customized to suit any type of application. Filter area is stated in square footage. Engineered models are also available upon request. Consult factory.
