## Portable Brake Lathe Vacuum<sup>®</sup>

### Description

SOURCETEC Portable Brake Lathe Vacuum (PBLV-9) Unit is ideal for grinding, sanding and surface polishing. Due to its portability, the PBLV may be utilized anywhere within the service centre.

### Application

The PBLV-9 effectively removes harmful dust, particles and fumes directly away from the work surface area. The residual contaminants are filtered and then collected in an easy to remove drawer.

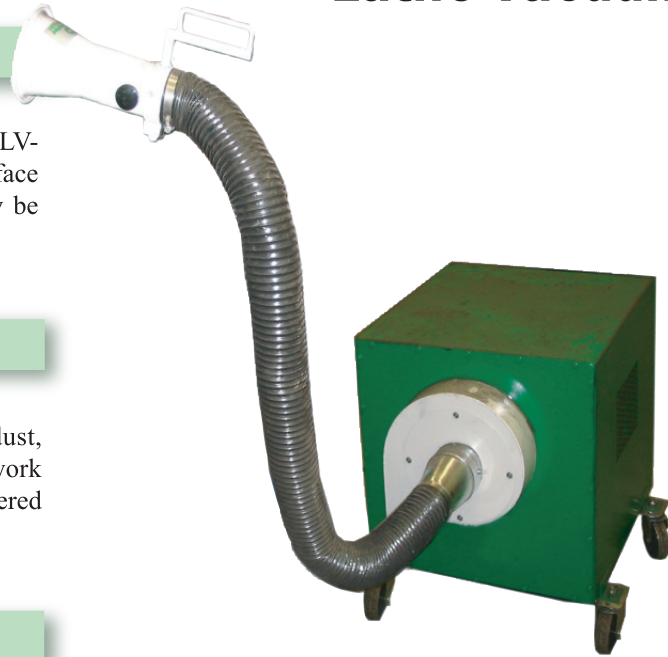

### Standard Features:

- 3" x 5 ft flexible hose
- Heavy duty direct drive blower  
1/2 HP, 115/1/60
- Self-cleaning spark resistant wheel
- 3" capture hood with magnet
- Adjustable damper
- 4" casters complete with 4 way swivel and brake
- Collector drawer for easy removal of contaminants
- ON/OFF switch
- 10ft electrical cord with plug
