WBE-7272BMWM	Base Module	72 (1829)	72 (1829)	76 (1930)	68 (1727)
WBE-7272AMWM	Add-On Module	72 (1829)	72 (1829)	76 (1930)	68 (1727)

APPLICATIONS:

- Educational Facilities
- Welding
- Metal Fabrication shops
- General Fume and Dust

STANDARD FEATURES:

- 16GA Tubular Steel Frame
- Fire Resistant Panels
- Brackets for Wall mount (fasteners by others)
- Frame: Black special epoxy coated finish
- Blue Welding curtain with track

OPTIONAL FEATURES:

- Available in various colours
- Heavy Duty Panels
- Booth Mounted tables
- Custom sizes available
- Various module kits are available.

* Dimensions are for reference only
