

# Sourcetec

## Mini Arms SERIES "MAS"

Sourcetec mini arms are specially designed to be mounted in areas where space is limited. Our mini arm is externally supported, and equipped with a 360 ° swivel rotation.

Our standard hose is flexible and smooth to allow greater air flow. Hose materials are PVC and can withstand temperatures up to 250°F. However different hoses can be used to adapt the arm to high temperature or chemical applications.

OPTIONAL: Wall Mount  
Mini Arm  
MODEL # MAS-172W -1.5m reach x 75mm dia.

Other sizes are available, please consult factory.
